MDS SERIES WIRELESS RADIO LOUDSPEAKERS

Make PA announcements from anywhere on your property using a two-way radio. Loud 20W and 10W versions available. No hardwire installation. Uses a wall plug, and has a 9-hr backup battery for portability and emergency power outages. Use indoors or outdoors as a wireless PA system. Programmable to work with most radios. Multiple MDS Speakers can be used all together, addressed individually, or just in specific groups with a single two-way radio. 3 Year Warranty
